

Registration for Alberta Society of Orthodontists 2008 Membership

Your membership in the ASO will ensure the ongoing advancement of our society in the following areas:

- Protecting the rights of our members as certified specialists in orthodontics.
- Cooperation with other societies with similar interests
- Promoting public awareness of the benefits of orthodontic health care rendered by certified specialists in orthodontics.
- Enhancing orthodontic research by active interaction, sponsorship, or participation in graduate orthodontic research.
- Providing educational opportunities for members and para-dental team members.
